RE: Modoc County Sheriff's Office PRA Request

To Whom It May Concern with MuckRock News;

Our office represents Modoc County in the capacity as County Counsel including the representation of the Modoc County Sheriff's Office. We are in receipt of your public records act request received June 5, 2019. Your request for the number of use of force cases by year for 2013-2018 has been received.

At this time we are reviewing your request. Pursuant to California Public Records Act we will provide any responsive documents if they exist which contain the information you have requested. We are not required to create a document which is not normally kept or does not exist.

Due to the size and scope of your request we will proceed with our review of the documents held by Modoc County Sheriff's Office. We anticipate that we will complete this review and have a response prepared by August 1, 2019.

Should you have any further questions or concerns please feel free to contact me.

Yours very truly,

PRENTICE, LONG & EPPERSON
